

*Spiritual Healing
for the Healers of the World*

INTERNATIONAL TRAINING

WITH

Ron Young

March 14-20, 2018

Garrison Institute, Garrison, NY

THIS TRAINING is offered to healers of all traditions and practices, including traditional healers, physicians, psychotherapists, educators, artists, researchers of truth, and to all who are called.

In this advanced seven day immersion training, **Spiritual Healing for the Healers of the World**, Ron offers **The Greater Spiritual Field of Life** to the participants to move into for a deeper understanding of correct place and posture in relation to Self, God and Spirit. From here we call forth those imbalances through which the Healer carrying the posture of the "Strong One" has depleted and diminished his/her self through service to others. This diminishing of self comes through unknowingly carrying the pain and the anguish, the guilt, shame, failure, and responsibilities, of those to whom Spiritual Service has been offered. This process of internal reorganization through the agency of God, Spirit, and Grace, empowers the Healer to realize his/her Greater Service to Life.

ALL WHO ARE CALLED ARE WELCOME.

INFORMATION info@healingwisdom.com
www.healingwisdom.com

RON YOUNG Ron's work is the product of a lifetime of investigation into the Nature of Reality, and the outcome of many thousands of hours of guided spiritual development by his Teachers, and the Grace of Spirit. Additionally, for Ron the work remains a full and continuous immersion; the result of many years of unceasing service with those seeking guidance, healing, and creative visioning.

Ron's mandate as a Spiritual Guide and Spiritual Healer is to develop those who study with him by bringing each participant "Home to their Spirit-Soul Within." This movement to Self is a patient and gradual unfolding founded in the Power of Love. The revealed gifts and the journey are unique to each individual. There are no carbon copies of the Spiritual-Guide. It is the Spiritual-Guide's spiritual duty to reveal each student to him/herself, and to help each develop the gifts endowed by Spirit for the incarnation.

*Beneath the breath of the world
Beneath the sorrows and the prayers of the heart
Beneath that which is seen and that which remains unseen
The Great Mystery is calling us*
Ron Young
