

Assisi New Year Retreat Healing and Regeneration for the Healers of the World

with **Ron Young**

**IN PERSON IN ASSISI, ITALY
January 5-8, 2023**

THE INVOCATION OF GRACE

Standing before
That which is Greater
Standing in Its Service

Standing with the Guardian
called Destiny on the left.

Standing with the Guardian
called Conscience on the right.

Standing with the Guardian
called Acceptance behind you.

Standing before
That which is Greater,
Standing before

That which is Passing through,
Bringing forth the Generations

One upon the other, as a Great River.

When there is deep need to continue
with movement unfinished,
as a part of That which is Greater

And in Service to It,

Say "Please" from within the Heart Seat
of your Compassion Mind.

This is the Invocation of Grace

As vehicles of compassion, the **Healers of the World** by their nature, gather to themselves the sorrows, fears, and traumas of the world. Compassion is the ground of their continuous service.

This **New Year's Meditation and Spiritual Healing Retreat** is one of profound spiritual renewal. It calls forth the reordering of Life as we know it, in its fullness from within.

We agree to the releasing of the world sorrows, fears, and traumas through the guidance of the inner **Wisdom Voice** emanating from **Source Within**. With Its continuous empowerment-embrace we take our movements to Self, with profound trust and humility.

We give permission to receive the power offered from **Source Within**, to guide us each into full renewal refocused and reordered:

In urgency to Self.

In priority to Self Knowing.

Rooted in Self Being.

Returning revitalized, renewed, we again offer ourselves to the **Service of Life** and the **Greater Good of all**.
