

International Intensive Meditation and Spiritual Healing Retreat for the **New Year**

WITH **Ron Young**

ONLINE
January 2-3, 2023

In this **New Year**, we welcome ourselves, and one another, from within the **Greater Heart Seat** of our **Greater Nature**. Within this empowerment, may we each give permission to follow Its revelations of Self, movements of compassionate **Grace** from **Source Within**.

Standing in this portal of wisdom-compassion, in deep humility and trust, we each welcome through us the ever greater future, as vision and intention with full permission and agreement to be realized in our service to life, earth and all who live upon her.

Our co-operation of opening from within our **Greater Nature** continues. During this **Retreat for the New Year**, our days together will be grounded in **Spiritual Meditation** and applied **Spiritual Healing**.
