In this new year  
I pray for your great success

and in all that you dream, envision,  
and seek to realize in your life.

May this new year  
be one full of hearted  
spiritual laughter  
soulful joy,  
and resounding success  
in your life on earth –  
As Spirit leads you forward.

*Your brother, Ron Young*

During this difficult time for humanity, the work we have realized in our weekly sessions over the last two years has created an exceptional system of spiritual support and nourishment. **It has been a great honor** to sit with you each week, opening from within the mutuality of our shared **Spiritual Intelligence and Its Reality.**

Our days together will be grounded in Spiritual Meditation and applied Spiritual Healing. I will assist each participant into deep entry and into their unique opening to Spirit Within. We will be doing meditation, as well as group work and one-on-one healings. Where indicated, we will also work with Spiritual Constellations.
