

INTERNATIONAL Spring Intensive Meditation and Spiritual Healing Retreat

with

RON YOUNG

MARCH 12 - 14, 2022

OPEN TO ALL WHO ARE CALLED

DEAR FRIENDS OF HEALING WISDOM,

During this difficult time for humanity, the work we have realized together in our weekly sessions over the last two years has generated exceptional spiritual support and nourishment. It has been a great honor to sit with you each week, opening from within the mutuality of our shared Spiritual Intelligence and Its Reality.

During the three-day **Spring Intensive Meditation and Spiritual Healing Retreat**, our days together will be grounded in spiritual meditation and applied spiritual healing. I will assist each participant into deep entry and into their unique opening to

Spirit Within. We will be in active depth meditation, as well as group work and one-on-one healings.

The inner work reveals our spiritual nature as the **Compassion-Wisdom Heart/Mind** from which we each emanate, opening us beyond form and concept into the vastness of our nature. With this opening, the greater challenge of this work is the **willingness to enter into the Service of Life**, which is to serve everything. This service is a surrendered offering of the fullness of our nature through both inner presence and outer action.

Your brother, Ron Young
