**THE WISDOM
OF HEALING
SCHOOL**

**Dear Friends and Family of
the Wisdom of Healing School and Healing Wisdom team**

We are offering a concert and meditation opening to the movement of what Peace is from within ourselves. From this inner seat we embrace the World in which we live as our community, with equal embrace to all. This embrace is through the emanation of what we are from within our greater nature: beyond nationality, creed, race, and political alignments. From here the inner movement of compassion and peace is equal to all.
