ALL WHO ARE CALLED ARE WELCOME

For ASIA

This will be an intensive immersion focused on development for the Spiritual Healer. Our days together will be grounded in **Spiritual Meditation** and applied **Spiritual Healing**. Each participant will be assisted to deep entry into their unique opening to Spirit Within. Where indicated, we will also work with **Spiritual Constellations**.

The advanced training is open to all students who have successfully completed the 18 Month Constellation Training, as well as other serious, long-term students of Ron Young. We are delighted to welcome you all into this next phase of learning and expansion.

THE MEDICINE OF SPIRIT

THE SPIRITUAL HEALER stands within Self-Knowing and knows who he is in Self in relation to Source and Spirit. In this knowing there is no distance between the Spiritual Healer, Source and Spirit, there is no mask to hide behind, no posture of superiority, and no acts of judgment. He is the bearer of a great treasure – **The Medicine of Spirit**.

THE SPIRITUAL HEALER is not captured by the psychical world, or the worlds of phenomena. He seeks only the manifestation of the phenomena of the Power of Love from the Giver of Life itself. He calls this Grace – **The Medicine of Spirit**.

THE SPIRITUAL HEALER is standing surrendered, naked in the Sacred Place within and has relinquished the voices

of the world as his defining reality of what is possible. He is clothed only in the luminous vestments Spirit offers: Love, Power, and Wisdom. He has the courage of the Power of Love to stand as the vision holder for the one seeking assistance from Spirit – **The Medicine of Spirit**.

THE SPIRITUAL HEALER in this same moment stands in Authority with Spirit to call forth the Healing. The Healer knows and perceives the immediate response to his request, and perceives also the immense forces and intelligences that stand forth in active response to each request. There is complete confidence and trust in the manifestation of the healing – **The Medicine of Spirit**.

Ron Young

LIVING TEACHINGS Ron provides living teachings, which means that they arise from the moment and in response to the group consciousness; as such no two trainings are the same. As the spiritual practitioner develops, the movements of perception and knowing open greater from within. This is a rare opportunity for those of you who are both new and returning to work with Ron, developing from within through depth meditation, self-healing work, and spiritual constellation practices.
