

The Essential Training

Healing from Serious Illness

with **Ron Young**

IN-PERSON

**March 14-17, 2024
at Kripalu, Stockridge
Massachusetts USA**

**This is a concentrated four-day training
The Essential Training: Healing from Serious Illness,
taken from the full fourteen-day *Healing from Serious Illness Training.***

Ron will be offering the essential insights and practices he developed during the last **40 years of continuous work with the seriously ill as he assisted many into regenerative healing.**

These clients, who were undergoing radical treatment and using western medicine as a base, were seeking to understand and to integrate active cellular and systemic regeneration through the agency of **Spirit** and to incorporate the **Great Field of Life** as the foundation for full regeneration through the full emanation of the **Spirit-Mind-Emotion-Body.**

It is Ron's service to offer movements of success, regeneration, and fulfillment, to all who seek to live in agreement to experience

what is truly possible when actively participating from within the **"Great Field of Life."**

This training is for those who are personally in various stages of recovery from serious illness seeking to actively participate in their healing process, and for students of healing who themselves are working with the seriously ill. This training is also especially important for the **Healers of the World** who practice assisting others, but do not attend to their own self-healing issues.

This training is grounded in **Spiritual Meditation, Spiritual Healing, and Spiritual Healing Constellations** as developed by Ron.

**ALL WHO ARE CALLED ARE WELCOME
ALL SPIRITUAL TRADITIONS ARE WELCOME**
